

HOW TO USE

Keep every pitch and partnership for Local Deals Pages in one place, with deliverables and deadlines.

| Brand | Contact | Date pitched | Offer / rate | Deliverables | Deadline | Status |
|-------|---------|--------------|--------------|--------------|----------|--------|
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
|       |         |              |              |              |          |        |
