

Review Reading Cheat Sheet

DEALUX

Deals & Smart Shopping | Infographic

1

Sort by newest

Recent reviews show current quality, not last year's batch.

2

Look for specifics

Useful reviews mention use, length of ownership and problems.

3

Read the 3-star reviews

They often explain trade-offs most clearly.

4

Spot suspicious patterns

Many similar reviews posted in the same week deserve doubt.

5

Check outside the store

Compare with independent reviews and forums.

General guide only. Prices, policies and availability vary by seller and change over time.
