

# Winter Coats Price Tracker

Clothing | Fillable PDF

HOW TO USE

Log the price of Winter Coats each time you check. Compare the true total, not the sticker price, and buy when it reaches your target.

PRODUCT / MODEL

TARGET PRICE

DATE STARTED

| Date | Retailer | Listed price | Shipping | Coupon / cashback | True total | Notes |
|------|----------|--------------|----------|-------------------|------------|-------|
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
|      |          |              |          |                   |            |       |
